COMMUNITY SERVICES DEPARTMENT  
Guide to Leisure Activities

Spring 2014

CREATING COMMUNITY THROUGH PEOPLE, PARKS & PROGRAMS

## SPRING 2014 GUIDE

It is with great excitement that the City of Temecula Community Services Department presents our Spring 2014 Guide to Leisure Activities to the residents of Temecula. Once again, our dedicated department staff and city instructors have planned and organized a fun-filled season of programs, classes and Special Events!

As we begin a new year, what better way to spend quality time with your family than attending the Temecula Rod Run, our annual Father/Daughter and Mother's Day events, or the very popular Spring Easter Egg Hunts. Perhaps now is the time to take that art or dance class you have always wanted to try? With the New Year brings new opportunities and renewed excitement for our surroundings. Maybe it's just spending a day enjoying the outdoors at one of our beautiful parks. Whatever the choice may be, we are committed to providing recreation programs, parks and facilities that our citizens can enjoy and be proud of.

January will also mark the opening of the new Jefferson Recreation Center. This temporary facility will house many recreation programs throughout the upcoming year. See page 3 for location and program information.

In closing, on behalf of the entire Community Services family, we wish you and your family a joyous holiday season and a very happy New Year!

# NEW CLASS LOCATION! INTRODUCING THE JRC!

## Jefferson Recreation Center (JRC) 41375 McCabe Court, Temecula

We are excited to announce that the City has temporarily acquired a facility that will be used to provide a variety of recreational and educational opportunities to the residents of Temecula.

The facility, temporarily known as the Jefferson Recreation Center (JRC) based upon its location directly off of Jefferson Avenue, is a much needed facility due to the increase in participation levels in City sponsored classes and activities. The (JRC) includes additional classroom space and a large multipurpose area which will allow for a greater number of classes and activities for larger groups of participants. For class availability visit the City's website or call 240-4266.

## Rocket Readers

Develop your child's reading ability, give them an academic advantage and a love for reading. Rocket Readers offers explicit instruction to improve children's reading skills, and the instruction is presented in a way that is easy and fun, which fosters a desire to read. Typically, students who are already reading will accelerate quickly to reach their full potential. For those

who are struggling, Rocket Readers takes the mystery out of reading and gives children confidence. Children are assessed continuously and instruction is modified. These standards-based classes are designed to supplement any curriculum used at home or school. Instructor is experienced, credentialed teacher. **Materials Fee:** \$15 due to instructor.

## Wonders! Speed Math

**Ages:** 4-13 Years

All of math is easier when students have basic facts and concepts locked in solidly. If a student is missing just a few, it can significantly handicap progress. Students can labor excessively due to a few unaddressed deficiencies or because their calculating speed is slow. Students will be tested and deficiencies pinpointed. Great techniques will then be used to help easily master facts with speed. If your child is struggling with certain problems, these will be addressed. Save your child and yourself hours of frustration and lay a solid foundation for great success in math!

## Temecula F.I.T. Challenge

The Temecula Community Services Department is offering a walking program to help you get fit. It is full of incentives and prizes. The main focus is physical activity aimed at getting residents walking, moving and becoming more physically active. Our goal is to take a virtual walk from Temecula to San Francisco (587 miles) by November 1st. Along the way you will earn prizes for reaching cities. Walk individually or as a team. This is a fun, affordable way to get fit. You can socialize, stay motivated, and learn about ways to live a healthier lifestyle. Walking can be done at any city park or use [mapmywalk.com](http://mapmywalk.com) to track your own walking route. Mileage log sheets can be dropped off at the CRC or at Harveston Community Park during the F.I.T. program. All participants who walk the miles will receive a t-shirt commemorating this major accomplishment. You will also be recognized at a Community Services Commission meeting and receive a trophy. For more information or to obtain mileage log sheets, call 694-6410.

## Amazing Events at the Workshop:

### JANUARY

#### Minion Science

Friday, January 3, 5:30-7:30pm **Fee:** \$5/person  
What do the minions from Despicable Me, light sticks, and tonic water have in common? Chemiluminescence! We'll explore the science of light sticks and maybe someday you can have your own army of glowing minions!

#### Monday Madness

Monday, January 6 (The Workshop is OPEN today!!) **Fee:** \$5/person

#### Ice Cold Science

Friday, January 10, 5:30-7:30pm **Fee:** \$5/person  
Brr! Just thinking about it makes us shiver, but ice is so cool (ha ha) that we just need to experiment with it.

#### Back in Time Science: Ancient Egypt

Friday, January 17, 5:30-7:30pm **Fee:** \$6/person  
The Professor loves to travel back to this time period...he's all fascinated by the excellent tombs and the mummification process. Beaker - not so much... he's more into hieroglyphics. But if YOU have any interest in preserving stuff for thousands of years, bring an uncooked hot dog tonight (trust us) and we'll play around with all things Egyptian...including mummies.

#### Monday Madness

Monday, January 20 (The Workshop is OPEN today!!) **Fee:** \$5/person

#### Science Adventures: Be a CSI

Friday, January 24, 5:30-7:30pm **Fee:** \$5/person  
Guess something must have happened at the Workshop to start an investigation...we'll need your help to solve the case. Wonder who's involved (or more likely, who started this mischief to begin with)? The Professor? Beaker? T2? You'll have to search the clues tonight to find out.

#### DRAWKCAB Day

Friday, January 31, 5:30-7:30pm **Fee:** \$5/person  
Da Vinci loved to write backwards...secret codes use backward symbols and letters...reverse engineering is cool...wait! What? Yeah, we want you to have NUF tonight GNIKAT FFUTS TRAPA and doing everything SDRAWKCAB. Dress appropriately.

### FEBRUARY

#### Discover the Amazon Jungle: Tsantsas

Friday, February 7, 5:30-7:30pm **Fee:** \$6/person  
OK, ARE YOU KIDDING ME??? SHRUNKEN HEADS?!!! The Professor - Ecuador - the Shuar Tribe...oh, this can only be trouble. We are drawing the line at serving rhinoceros beetle larvae, though. You'll have to bring an apple... you'll either eat it or shrink it...find out tonight!

#### Pennypickle's Birthday Bash

Sunday, February 9, ALL SESSIONS **Fee:** \$5/person  
It's the Professor's birthday and his assistants (and Beaker!) are throwing him a party - and YOU are invited. There will be lots of fun and surprises at the best and most crazy birthday party of the year. We'll be partying all day!

#### KIDS ONLY CLUB: Parent's Date Night Drop Off

Friday, February 14, 6:00-9:00pm **Fee:** \$25/person (includes dinner)  
Kids! Have a heart and let your parents have a night to themselves. They can have a romantic (yuk) dinner somewhere while YOU HAVE YOUR OWN FUN during Pennypickle's heart-filled Valentine's celebration!! This will be a lock-in event and children need to be pre-registered.

#### Monday Madness

Monday, February 17 (The Workshop is OPEN today!!) **Fee:** \$5/person

#### Science: Don't Underestimate Girls!!!

Friday, February 21, 5:30-7:30pm **Fee:** \$5/person  
Ok, girls...you can be inventors, engineers, mathematicians, chemists, astronauts...anything you want to be. Tonight it's all about girls and science... but, yeah, you can bring your brother if you have to.

#### Boldly Go...Exploring Star Trek Science

Friday, February 28, 5:30-7:30pm **Fee:** \$5/person  
We love teleportation as much as the next guy - hey, maybe more! We'll try not to beam you up to the home planet, but you never know. Wear your uniform, have your phasers set to "stun" and prepare to have lots of "fun" figuring out stuff that Spock, Kirk, Scotty dealt with in their journey throughout the universe.

### MARCH

#### LOST: Adventures in the Workshop

Friday, March 7, 5:30-7:30pm **Fee:** \$5/person  
You'll have to use your best Survivor techniques tonight as you navigate your way around the Professor's house using maps and secret clues. (You might want to bring a compass...and definitely bring your imagination.)

#### PI Day!

Friday, March 14, 5:30-7:30pm **Fee:** \$5/person  
Pi is a special number that helps us to understand circles and to get freaked out by the concept of infinity! Let's celebrate this never ending number that happens to fall on Einstein's birthday...look for circle activities all AROUND the Workshop, plus PIE (that you can eat!). Be ready to sing Happy Birthday to the Professor's friend AI between mouthfuls of Pi.

### Membership Clubs

The Professor's membership clubs are your ticket to lots of fun times at Pennypickle's Workshop! Get information about joining at pennypickles.org.

# Pennypickle's Workshop

42081 Main Street, Temecula

Pennypickle's Workshop, home of Professor Phineas T. Pennypickle, Ph.D., scientist, time traveler and inventor of wacky and wonderful contraptions that amaze, delight, and educate children and adults alike. Every surface of wall, ceiling, and furniture is occupied by pulleys, gears, cables, notes, blueprints and stuff. There are secret passageways and puzzles, machines and gizmos. Children must be accompanied by an adult 18 or older. Professor Pennypickle and his faithful little mouse friend, Beaker, have lots of fun activities planned for you every month (and sometimes they are a surprise until the last minute... there are WAY too many exciting happenings going on to list here!). Be sure to call the Professor's hotline at 951-308-6376, or check his website at [pennypickles.org](http://pennypickles.org) for the latest information, times, and prices, or to purchase tickets in advance.

## Have your Party at the Professor's House!

With several different party packages available and the Professor's and Beaker's help, you are bound to have an unforgettably fun celebration! Call 951-308-6376 for more information and to reserve your party date today!

## Explore Science with Professor Pennypickle!

### KIDS ONLY CLUB: It's Spring!

Friday, March 21, 5:30-7:30pm

Fee: \$15/person (includes snacks)

The first day of Spring is a great excuse for a party...a party for kids! Science will be involved, of course, but there's no need to wear your lab coat...party clothes will do. This will be a lock-in event for children ages 5-10 and you must be pre-registered to attend.

### Monday Madness

Monday, March 24 (The Workshop is OPEN today!!)

Fee: \$5/person

### Phineas, Phineas, and Ferb

Friday, March 28, 5:30-7:30pm

Fee: \$8/person

Did you know that the Professor sometimes kicks back and watches cartoons to de-stress from inventing and time-traveling? One of his favorites is Phineas and Ferb, so he wants you to have fun experimenting with platypus science, making stuff glow, and of course, inventions!

### Grown-Up Science: Puzzling Through Portal

Saturday, March 29, 6:00-8:00pm Fee: \$10/person  
Portal...a game? Or an experiment in spatial physics and Newtonian mechanics? If you're a fan, you'll want to join us tonight to be interviewed for your new job as an Aperture Laboratory test subject. There may or may not be cake. Note: this event is designed for Portal nerds/geeks only. You've been warned by GLaDOS.

### Monday Madness

Monday, March 31 (The Workshop is OPEN today!!)

Fee: \$5/person

## APRIL

### NANO Lab

Friday, Apr 4, 5:30-7:30pm

Fee: \$5/person

Beaker wants you to see the world the way he sees it...nano-style. You may want to bring your magnifying glass tonight!

### KIDS ONLY CLUB: Parents-Need-A-Break Night

Friday, April 11, 5:30-7:30pm

Fee: \$15/person (includes dinner)

We figure after two weeks of kids on Spring Break, it's time for Mom and Dad to have a night alone. Don't worry, we'll feed the kiddos and entertain them with experiments and fun during this lock-in evening for children ages 5-10. Space is limited, so pre-register!

### Egg-citing Dyeing

Friday, April 18, 5:30-7:30pm

Fee: \$6/person

Bring your own half-dozen or so hard-boiled little beauties to use tonight as we experiment with eggs-pert coloring techniques that would make the Easter Bunny proud! Oh- you might want to wear your lab coat since things may get a little colorful - and messy...as usual!

### Fire Fighting Heroes Night

Friday, April 25, 5:30-7:30pm

Fee: \$5/person

No, we're not actually going to have fire, but we will find out some neat stuff about the science of extinguishing one by our friends, the fire fighters. Kids are encouraged to dress up and be heroes, too. Fire-fighting dads or moms get in free tonight...and we'd love to see your uniforms!

## MAY

### Grown-Up Science: Geeking Out on Star Wars

Friday, May 2, 6:00-8:00pm

Fee: \$10/person

Enjoy this event you will. Master the Force as we delve into the Star Wars galaxy and its secrets. Droids, special technology, the Death Star...we'll get into all of that. We promise not to carbon-freeze anyone. Special attention will be paid to those who attend dressed in futuristic Steampunk attire! This event is geared for teens and grown-ups.

### Illusions and Magic Tricks

Friday, May 9, 5:30-7:30pm

Fee: \$5/person

Is it science or is it magic? They have a lot in common - both produce wonderful effects that leave us bewildered. Learn some tricks tonight as you explore the magic behind some of the Professor's favorite illusions.

### Toying with Trajectories

Friday, May 16, 5:30-7:30pm

Fee: \$5/person

Wow...a chance to launch projectiles! The Professor and Beaker can't wait. Catapults and trebuchets are some of their favorite things...

### Anything Goes Night

Friday, May 23, 5:30-7:30pm

Fee: \$5/person

Well, the Professor is at it again and we're not sure what experiments he's been working on that may be demonstrated tonight...you'll just have to see!

### Monday Madness

Monday, May 26 (The Workshop is OPEN today!!)

Fee: \$5/person

### KIDS ONLY CLUB: Beaker's Camp-in

Friday, May 30, 5:30-7:30pm Fee: \$15/person

Kids - wear your best PJs and robes tonight if you like, cause we're having a camp-in! Let mom and dad do their thing while we party with science in the Workshop. (Be sure to check out the Professor's Tent-O-Wonders.) This event is for kids ages 5-10 and space is limited, so pre-register early.

The Temecula Valley Museum offers wonderful opportunities for all ages to learn about the history of the Valley. Our permanent collection and changing exhibits introduce local and period history, characters, and continuous learning experiences. We offer a number of programs and activities, including guest lecturers, creative workshops, historical reenactments, museum tours and walking tours of Old Town Temecula. Reservations are required for guided tours. Private tours are available with advance notice, minimum of eight or more individuals.

**Location:** 28314 Mercedes St. (One block from Old Town Front St.)

**Hours:** Tuesday-Saturday 10am-4pm, Sunday 1-4pm

**Admission:** \$2 Suggested Donation

**Information:** 694-6450

### Museum Store

Don't forget the Museum Store for your special shopping needs. Specialty items feature unique western-themed holiday ornaments and historic photographs of Old Town Temecula. Great for shopping all year long, the store includes toys, books and many other items with a historic flare.

### Inside the Museum

Do you recognize this street scene? This is a replica of Old Town Temecula Main Street. Visit the museum and check out our 1915 era diorama. See which buildings are still standing. Bring the family so children can learn the history of their hometown.

### Touch History

Our "Touch History" children's educational exhibit is designed to allow children to experience history with their hands, hearts and minds. Bring the kids and let them pretend to be the proprietor of the General Store, cook on the 1880's stove, create a puppet show starring Louis and Ramona Wolf, shop for fabrics in the Dress Shop, make a fire (almost) at the Mormon Battalion campsite, play checkers and more!

### A Walking Tour of Old Town

Join us for a historical guided tour of Old Town Temecula and feel the early 1900's come to life. Tour begins at the Museum in Sam Hicks Monument Park and winds through Old Town for stories and historical facts about some of our oldest landmarks and most colorful characters. Children under the age of 8 must be accompanied by an adult.

**Dates:** Jan 18, Feb 22, Mar 22, Apr 5, May 17 **Time:** 10am

**Fee:** \$2/person

## MUSEUM EXHIBITIONS

### The Many Faces of George Washington

Jan 11-Feb 16

The Many Faces of George Washington exhibit provides background and insight into our nation's first president. Spanning Washington's entire life, the exhibit focuses on the traits that made him a beloved leader and the choices that helped establish

a stable democratic government. Exhibit examines the real-life man behind the myth through dazzling color graphics of paintings, photographs, and iconic objects from the Mount Vernon collections.

### Women & Spirit: Catholic Sisters in California

Feb 22-Apr 6

Since 1850, dynamic, pioneering women of faith have responded to unparalleled challenges by providing social stability, creating a "safety net" - child care centers, hospitals, schools, orphanages, homes for the elderly and working girls, and countless other institutions. This exhibit features the amazing contributions Sisters have made in developing California's church and society and testifies to their efforts, without which the California of today would be a very different place.

### Temecula History: A Third Grade Perspective

Apr 12-May 18

Join us for a fun look at Temecula history through the eyes of Temecula Third Graders. You will be surprised by the creativity, talent and knowledge these students possess, and how they use these talents to teach others about early Temecula. View posters, books, DVDs and 3-dimensional projects and their corresponding historic photos and artifacts during this exhibit created by kids!

### Western Photography by Miley

Apr 12-May 18

Jim and Jeannie Miley are the photographic team of J. Francis Miley Photography. Their photography captures the majestic beauty of landscapes and the hidden beauty of everyday items, often combining two or more images to create an impression and evoke emotion in the viewer.

### Bear in Mind: Story of the California Grizzly

May 24-Jul 13

This compelling exhibit tells the story of California's most beloved and feared animals. The exhibit details how the Grizzly was a symbol of California's untamed wilderness, and of freedom and power, but was driven to extinction as California was settled.

### MPSC Garden Update!

2013-14 gave us bumper crops of tomatoes, cabbage, snap peas, green beans and peppers. At the end of summer, we held a Garden Clean-up Day. Local high school students from Great Oak volunteered to help, clear, mulch and compost the end of summer crops. We would like to thank the Great Oak High School volunteers who gave up their Saturday to help us at the garden!

Composting provides the garden with additional top soil for planting. After each harvest, staff and volunteers are hard at work, turning the soil and adding the much needed vitamins and minerals to the soil. The array of fresh produce grown at the garden helps many local seniors subsidize their food bills with fresh vegetables. If you would like to visit the garden or become a volunteer, contact the Center!

## Creating Community through People, Parks & Programs

It's What We Do!

# LEARN to SWIM in

## Youth Swim Lessons

The City of Temecula is proud to offer an expanded youth swim lesson program. Lessons are offered in the spring and summer months. Lessons are available in two-week sessions and held Monday-Friday. Below is information regarding swim lesson placement and detailed level descriptions. The following page explains the registration process, registration dates and schedules of available lessons offered for both the spring and summer session. For further information, call the Aquatic office at 308-6396, email questions to [swim@cityoftemecula.org](mailto:swim@cityoftemecula.org), or visit our informative website at [swim.cityoftemecula.org](http://swim.cityoftemecula.org).

### Swim Lesson Placement

Enrolling your child in the appropriate level is critical for their success. Every effort should be made to select the appropriate class based on their age and skill level. Read the below swim level descriptions carefully. If you are still unsure of which level attend a Swim Level Assessment. If enrollment is made into a class that is not at the child's ability, space in another class cannot be guaranteed.

### FREE Swim Level Assessment

Our trained staff will assess your child's ability and determine which level is most appropriate prior to registration. Pre-registration not required.

### Swim Level Descriptions

#### Parent and Me (Level 1/2)

**Ages:** 6 Months - 3 Years

This course is designed for parent/child interaction. Course is taught as a combination class with the instructor presenting both skill levels during class. **NOTE:** Infants must wear a swim diaper under suits while in water.

**Level 1** - Introduces basic skills to parents and children. Skills introduced include: water adjustment and entry, bubble blowing, underwater exploration, buoyancy on the front and back position, plus age-appropriate safety topics.

**Level 2** - Builds on skills introduced in Level 1 and also introduces the following skills with assistance from parent: front and back glide, front kick, arm movement, submerging in a rhythmic pattern, rolling over, and age-appropriate safety topics.

#### Beginning Toddler

**Ages:** 3 - 5 Years

Designed to be a preschool age child's first experience in a pool without a caretaker. Introduces swimming and water safety skills. Must be able to follow directions. Skills taught include water adjustment, bubble blowing, underwater exploration, front and back floats, glides with support, kicking and alternate arm strokes and treading water.

#### Advanced Toddler

**Ages:** 3 - 5 Years

Course is designed to follow Beginning Toddler for children ages 3-5 years. Participant must be able to blow bubbles, front and back float unassisted for 5 seconds, submerge face without using goggles, and climb out of the pool without help. Participants must be able to listen and follow directions. Skills taught include entering water by jumping in, fully submerge and retrieve items, bobbing, front, jellyfish, and tuck floats, treading water, finning arm action on back, and age-appropriate safety topics.

#### Level 1 - Water Exploration

**Ages:** 5+ Years

Designed to be a beginning level course for children 5 and older. Participants will learn elementary skills including bubble blowing, under water exploration, introduction to front crawl, backstroke, back float and front float with support, kicking and alternate arm strokes, bobbing, entering and exiting the water, and age-appropriate safety topics.

#### Level 2 - Primary Skills

**Ages:** 5+ Years

Must have mastered Level 1 skills. Objective of this course is for the participant to successfully learn fundamental skills. Participant will learn to float without support and to recover to a vertical position. Other skills taught are glides, front arm motion, flutter kicks, rhythmic breathing, and age-appropriate safety skills. This level marks the beginning of true locomotion skills and adds to self-help and basic rescue skills.

### Adult Swim Lessons

## Veterans Memorial

**Temecula Duck Pond, 28250 Ynez Rd.**

Symbolically, on the eleventh day of the eleventh month at the eleventh hour in the year 2004, the City of Temecula humbly and proudly dedicated the "Letter's Home" A Veteran's Memorial at the Temecula Duck Pond. Artist Christopher Pardell created a true expression of a life-sized bronze sculpture of a soldier reflecting as he writes a letter home. As the uniformed soldier sits atop his bunker ready to defend, should the need arise, he takes a moment to pen a letter to a loved one.

The beautiful lake park setting also includes a sheltering tree that symbolizes the protection provided by those who selflessly serve our country. Annually, the tree blooms a beautiful yellow flower which historically signifies support for the men and women in the armed forces. The wall surrounding the sculpture provides a backdrop for the bunker and proudly displays actual "Letter's Home" from those who have served throughout our nation's history. A final element to the memorial is the "Path of Honor" which are engraved pavers leading to the sculpture that many of our citizens purchased to honor a loved one who has served our country. This memorial is for the men and women who had the courage to stand up for their beliefs answering the call of the nation and risking their lives to protect freedom. The people of Temecula will forever honor their deeds. For more information about the Temecula Veterans Memorial, call 694-6480.

## Temecula Sister City Program & Places of Interest

### What is a Sister City?

Almost everyone entering Temecula City limits has viewed the green and white signs that say, "Sister Cities, Leidschendam-Voorburg, the Netherlands, and Nakayama-Daisen, Japan." In 1956, President Eisenhower held a conference on citizen diplomacy and proposed that peace and prosperity could be fostered between people of different cultures by celebrating and appreciating their differences. Each relationship with our Temecula Sister City has grown and fostered many cultural and educational experiences for those who have traveled between the two cities. Hundreds of middle school and high school students, educators, local officials, and private citizens have traveled across the world to visit and partake in one another's culture. These city-to-city exchanges continue to bridge cultural, political, and socio-economic differences today and will continue to do so long into the future. If you are interested in learning more about Temecula's sister city program or contributing in any way, please email robin.gilliland@cityoftemecula.org or the Temecula Sister City Association at temeculasistercityassociation.org.

### Leidschendam-Voorburg, the Netherlands

Temecula and Leidschendam-Voorburg formed a sister city relationship in 1993. In honor of Temecula's relationship with Voorburg, we have a special place in Temecula named "Voorburg Park." Plus, Voorburg created and baptized a long stemmed yellow tulip named "City of Temecula." They grow all over Voorburg and especially around its city hall. In September 2013, the City of Temecula and Leidschendam-Voorburg celebrated our 20 year relationship by dedicating two beautiful stainless steel tulip sculptures at the Temecula Duck Pond. They are on display to the public for citizens to visit as tokens of our friendship with the Dutch.

### Daisen-Nakayama, Japan

Temecula and Daisen-Nakayama formed a sister city relationship in 1994. In honor of the 10th anniversary of our relationship a Japanese Friendship Garden and plaque was erected at the entrance of the Temecula Duck Pond. In May 2014, our friends from Daisen will be here to celebrate our 20 year anniversary with our Japanese sister city. We are planning an enhancement to the Japanese Garden. More details regarding this significant event will be available as the event nears.

# Trash & Maintenance Services

The City of Temecula strongly encourages all residents and businesses to recycle. Residents can call CR&R to request an extra recycling container at no charge. Discounted rates are provided for local businesses and multi-family complexes that request a "recycled materials only" bin. For more information, contact CR&R at (800) 755-8112.

## Storm Drains

The City of Temecula would like to remind residents of the City's storm water and pollution prevention requirements. When it rains, water flows from our streets and into our creeks. Flows then drain into the Santa Margarita River, which ultimately discharges into the Pacific Ocean. The City is committed to improving water quality by implementing programs that systematically reduce and eliminate pollutants from urban runoff before reaching our local creeks. Please join us in this commitment by considering some simple pollution prevention measures:

- Use dry methods (raking, vacuuming, sweeping) for outdoor cleaning.
- Use rags or powdered absorbents to clean up spills.
- Dispose of pet waste, debris, and trash in trash bins, not in the gutter.
- Use a mop instead of a hose to clean areas when water is needed.
- Set irrigation timers to prevent over-watering. This runoff carries fertilizers, pesticides, and sediment into local creeks and harms their ecosystems.
- Do not hose down driveways, sidewalks, or gutters.

Other than rain water, it is illegal to send pollutants into our streets, gutters, storm drains, or any waterway. If you see an illegal discharge, please report it by calling us at 951-694-6411. To obtain additional information about the City's water quality program and requirements, please visit our website.

## Street Sweeping

Please be a good neighbor and remember not to park on residential streets on trash pick-up day and street sweeping day. Residential streets are swept the day after trash pick-up day. Observing this simple request helps keep Temecula's neighborhoods looking their best!

## City Wide Clean Up Day

CR&R Inc. and the City of Temecula will be co-sponsoring the bi-annual Citywide Clean-up on April 26, 2014. All City residents may dispose of e-waste, used motor oil, antifreeze, vehicle batteries, green waste, and bulky items. This service is free to Temecula residents. (ID is required). Event will be held at Chaparral High School between 8am and 2pm. For more information check the city website or contact Dale West in Community Development at (951) 694-6400.

## Maintenance Division

The Maintenance Division is committed to ensuring an aesthetically pleasing and healthy city by providing safe, clean public areas. The Maintenance Program provides effective landscape and facility maintenance services to parks, slopes, medians, and recreation facilities as well as storm related problems and graffiti removal on public property. For assistance with maintenance related matters, call the Public Works Department at 694-6411.

## Streetlight Repair

If you have a streetlight out in your neighborhood, call Southern California Edison at 800-611-1911 for repair.

## Paint Collection

The California Paint Stewardship Program offers 4 locations in Temecula to take leftover paint. Interior and exterior architectural coatings sold in containers of 5 gallons or less are accepted at no additional charge from residents and certain businesses. Aerosol products (spray cans) and specialty coatings are not allowed. Drop off sites may only collect certain quantities at one time. For drop off sites and more information, visit [www.paintcare.org](http://www.paintcare.org) or call (855) 724-6809.

## ABOP Center

Riverside County offers weekly collection of antifreeze, vehicle and household batteries, oil (and filters), and paint (latex only) at the ABOP Center.

**WHEN:** Every NON-holiday Saturday (Subject to closure due to weather)

**TIME:** 9:00am until 2:00pm

**WHERE:** 25315 Jefferson Ave in Murrieta (N. of Murrieta Hot Springs Rd.)

Maximum chemical load: 5 gallons or 125 lbs. (per trip). Some restrictions apply; contact Riverside County Waste Management at (951) 486-3200 for details or visit [www.rivcowm.org](http://www.rivcowm.org).

## Holiday Schedule Trash Pick-Up

On holidays your trash collection will be delayed by one day. If your normal trash day is Monday, your trash will be collected on Tuesday, etc. If your normal trash day is Friday, your trash will be collected on Saturday. Holidays will also affect the street sweeping schedule. If the holiday occurs on Saturday or Sunday, your trash collection & street sweeping services may not change. Holidays are New Year's Day, Memorial Day, 4th of July, Labor Day, Thanksgiving and Christmas.

## Bulky Item Pick-Up

Reminder! City of Temecula residents are allowed two FREE bulky item pick-ups, including e-waste, annually. Please call CR&R at (800) 755-8112 and make arrangements in advance for the pick-up of these items.

## Please Register Early!

We recommend registering early for all classes and activities. Classes must meet a minimum enrollment. If class minimum is not met, classes will be cancelled. Registered class participants will be notified of an alternate class, if one is available. A full refund will be given for activities cancelled by the City.

## Pre-Registration and Payments

Pre-registration is required for all classes and activities. Class instructors are only authorized to accept class material fees when noted. All activity and class registration fees must be paid directly to the City of Temecula in the payment methods listed above.

## Wait List

If an activity or class you are interested in becomes full, we recommend enrolling onto the wait list. Wait list enrollments can be processed using the online registration system. If space becomes available participants on the wait list will be contacted in the order they were received. Class wait lists are reviewed on a regular basis to determine if additional class sessions can be added or class sizes can be increased.

## Missed Classes and Class Changes

Class fees will not be pro-rated or credited for missed sessions. The City reserves the right to cancel activities, substitute instructors, change locations and/or dates and times as necessary. In the event that a class has changed the City will make every effort to contact all registered participants.

## Transfers and Refunds

- All requests for transfers and/or refunds for classes must be requested **(5) business days** prior to the class start date. A 20% cancellation fee will be deducted from all refunds. Requests for refunds or transfers made within **(5) business days** can be emailed to [community.services@cityoftemecula.org](mailto:community.services@cityoftemecula.org) or by calling the Community Services Department at 240-4266. All requests for refunds and/or transfers for swim lessons must be requested from the Aquatics Office **(2) business days** prior to the first lesson date.
- If a participant is dissatisfied with a class, they must contact Community Services at [community.services@cityoftemecula.org](mailto:community.services@cityoftemecula.org) or call 240-4266 prior to the second class to request a credit that can be applied to another class in the future.
- If a participant is unable to continue in a class after the class has begun due to a health issue, a medical excuse must be provided to obtain a credit that can be used to retake the class or applied to another class in the future. Charges for classes attended will be deducted from the credit.

## Photo Policy

Please be advised that all participants involved in any city programs or events are subject to being photographed. Such photographs may be used by the City of Temecula without obligation to provide compensation to those photographed.

## American with Disabilities Act

The City of Temecula understands the obligation to provide access to public service to those qualified individuals with disabilities. Please call 240-4266 with any requests for accommodation at least one week prior to an activity or class.
